

Spring 2021 Center of Excellence & Junior Academy Mid-Season Recreation Player Evaluations

CESA will be offering player evaluations for all registered CESA Recreation players that are interested in the Center of Excellence (U7-U8) and Junior Academy (U9-U12) programs. The CoE Program is for players born in 2013 & 2014. The JA Program is for players born in 2009, 2010, 2011 & 2012.

- We encourage CESA Rec players to attend these evaluation sessions if you have any interest in potential participation within either program.
- Please remember there is no guarantee that a player will be added to a CoE or Jr. Academy team for the Spring season, but we feel strongly that there are talented and eligible players within our CESA Recreational Program.
- Interested players must sign-up by emailing - midseasonevals@carolinaelitesc.com by Monday November 23rd (*if you have already sent the email already, there is no need to do so again*). Please include the following in the email: Player Name, Gender, Current Team, Birth Year & Parent Contact cell & email.
- These evaluation sessions will consist of training with our current pools/teams and will take place the week of November 30th at MeSA Soccer Complex (1020 Anderson Ridge Rd, Greer, SC 29651 and if needed the week of December 7th at MeSA or Wenwood (1967 Ridge Road, Greenville, SC 29607). The more we can see a player at training, the easier it is for us to figure out where they may fit in their age group. Parents will be emailed a schedule of the day, time, and location of their child's evaluation prior to the week of November 30th.
- All CoE and JA program information can be found at www.carolinaelitesc.com on each program's page. If you have any other questions regarding the CoE contact Cole Atkins at atkins.cole@gmail.com or the JA contact David Minihan at daithi552@hotmail.com.

The early registration deadline for the Spring 2020 Recreation Season is **Monday December 14th**. We advise still signing up with your Spring Recreation team in the event your player isn't chosen for a CoE or JA pool so they are guaranteed a team for Spring 2020. Any players selected for CoE or JA that have already registered for Spring Rec season, will have that fee transferred towards CoE or JA Spring cost.
