

CESA Recreation Parents,

CESA will be changing our player registration and communication system to PlayMetrics. As a result, we will be changing the team assignment and registration process. Historically, you've signed up and requested Coach, Location, Practice Day & Time, and then I've sorted and made teams based on this. For Fall 2024, families will choose specific teams and schedules and while they are subject to change, the goal is more families get what they want when registering for our program.

The first thing to understand is what age group your player(s) will be in Fall 2024. Everything is done by birth year for our program. See below for the Fall 2024/Spring 2025 Age Matrix:

Fall 2024/Spring 2025	Age Group Criteria	Practices per week	Games per week	Coach	Fees
U6-2Day	Born in 2019 & 2020	2	0	Volunteer	\$120
U6	Born in 2019 & 2020	2	1	Volunteer	\$150
U8	Born in 2017 & 2018	2	1	Volunteer	\$150
U10	Born in 2015 & 2016	2	1	Volunteer	\$150
U12	Born in 2013 & 2014	2	1	Volunteer	\$150
U15	Born in 2010, 2011 & 2012	2	1	Volunteer	\$150
U19 (Fall only)	Born in 2009, 2008, 2007 & 2006	2	1	Volunteer	\$150
High School Prep (Fall Only)	Born in <b>2009, 2008, 2007 &amp; 2006</b>	2	1	CESA Staff	\$425

Next, please read carefully the below information so everyone is on the same page when we open registration on Thursday, April 18th:

- Each age group will be presented a list of program options to choose in the registration menu. For example, U6 might have 7 different options based on the teams we had in Spring 2024. A choice might say "CESA Carter U6 MeSA Mon/Wed 5:30pm" and players can select the team they'd like to be on based on the coach and schedule presented.

- Every package will be listed with Coach Name (if known), Location, Practice Days, and Practice Time. Even if a coach chooses **NOT** to return for Fall 2024, we want players to be able to sign up to be with their previous teammates so, in most cases, we will use the Spring 2024 Coaches Name as the identifier. There will be a waiver agreement

in the application that the Head Coach is subject to change prior to the Team Assignments being posted.

### Team Schedule Agreement ✕

I understand that while I'm signing up my child for this package with specific Coach, Practice Day, and Practice Time selected, this is SUBJECT TO CHANGE. It is possible that the Head Coach will change for this team prior to the Fall 2024 season starting which could potentially alter the practice days and times. CESA does, however, guarantee the practice location you've selected will not change.

[Cancel](#) I Agree

- If there is a replacement already planned to take your child's team, we will reflect that in the registration options where we would then list the Spring 2024 coach AND the Fall 2024 coach.
- From April 18 to May 24, returning players will still have priority to get back on their Spring 2024 team if the coach is remaining in the same age group. Each team will be capped at a certain number--this will depend on the age group--and then no one else will be able to register for that specific team after that roster max is reached.
- Please note that new or non-returns players will still be able to sign up for returning teams during this early registration period and a team may become full. If a returning player tries to register prior to May 24th and sees the team is full and can't register, they should email me and I will move a non-returning player to make room for the returning player. There will be waiver agreement attached for player's in this situation:

### Non-Returning Player Agreement ✕

I understand that because my child DID NOT play for this team during the Spring 2024 Recreation season, he/she is not guaranteed a spot on this team until after May 25th. If this team reaches the roster capacity on or before May 25, 2024 my child will be moved to another team.

[Cancel](#) I Agree

- With that said, it's REALLY important that returning players sign up during this early registration period because on May 25th anyone can sign up to be on your team if spots remain. **I will not remove new players to make room for returning players who forgot to sign during the early period.**
- For players that don't age up with their coach/team, players will need to communicate with one another if they want to stay together and make sure they sign up for the same team during registration. Again, once any team reaches their roster max, players will no longer be able to sign up for that specific team. However, in some rare cases, we may still list a team with their Spring 2024 Coach's Name and the letters "TBA" and the following statement:

▼ CESA U6 Darnell TBA MeSA  
Mon/Wed 5pm
9 spots left

**Package Name**

CESA U6 Darnell TBA MeSA Mon/Wed 5pm

**Additional Details**

**B** ***I***

Please note that the Head Coach for this team is **TBA (to be announced)** due to the Spring 2024 coach moving up to an older age group or not returning to coach in Fall 2024.

If you are interested in being a Head Coach please indicate that in "Volunteer Position" section that comes later in registration.

- Lastly, Recreation players that are trying out for the Junior Academy or Travel programs should still sign up for Fall Recreation in the event they don't make a team or choose to stay in Rec. This is important because once a team fills up we will not remove players who've already been placed to make room for these players.
