

# St Francis Sports Medicine Soccer Classic - RULES AND FORMAT

A. All games shall be played in accordance with the FIFA laws, except as specifically superseded by these rules.

## TABLE "A"

### Point System to Determine Group Winners

**Win: Winning teams get 3 points.**

**Tie: Tying teams get 1 point each.**

**Loss: Losing teams get 0 points.**

## TABLE "B"

### No Over time...Tie-Breaking Procedure

Note that the order of the tie breaking rules is important. If the first rule can determine a winner, then the process is over. If the first fails, then the second is used and so on until a winner is determined. These procedures are only used when Table "A" fails to determine a winner. In the event of a 3-way tie, the team that has amassed the greater goal difference will advance. If one team is eliminated due to inferior GD, the process for advancement will start again with head-to-head tiebreaker.

1. Results of head to head competition within the group.
2. Goal Differential ( 4 goal Maximum per Game)
3. Least Goals Allowed
4. Number of Shutouts
5. FIFA Penalty Kicks (at a time and location to be determined by the Tournament Director)

## TABLE "C"

### Resolving Ties Using Overtime Play

This procedure is used only for Final matches:

If the match ends in a tie, the teams will be given a five-minute rest and then two full ten-minute overtime periods will be played (i.e. no sudden death). This applies to all age groups.

1. Captains will meet for a coin toss to determine choice of kick-off or goal to defend.
2. After the first ten minute overtime period, teams will switch ends of the field and kick-off after a Two-minute break. Substitutions may be made.
3. If the game is still tied after two overtime periods are completed, the FIFA kicks from the Penalty Mark procedure will be used to determine a winner.

## B. Length of Game/Ball Size

Division	Length of Game	Ball Size
U19/17	70 min	5
