

How to Club Pass players for SCYS League Games:

A Club Pass roster will be required for the team using club pass players for each match.

This request can be submitted by the team coach or manager up to 48 hours prior to game start time. You must set up your browser to allow pop-ups to use this feature.

****Club Pass Player Rule (Applies to all SCYS league games)****

Club Pass players may play: 1) up in team level, or 2) same team level (laterally). Club Pass players' year of birth must be same as the host team or up to two years younger (the player cannot be registered in a team whose age group is older than the host team). **Club Pass players are limited to only 2 games per day and may never play down in team level.** Club Pass players will be allowed in State Cup play. The system is set up to allow 5 club pass players per match. SCYS allows up to 7 when needed BUT players #6 & #7 must be submitted in a special request to SCYS and it can take longer to be approved.
