

**CAROLINA ELITE SOCCER ACADEMY
CESA INJURED PLAYER POLICY**

If a player is injured or not able to attend a tournament, the parents are still required to pay the player's tournament expense portion of the monthly Team Fee.

Tournament Expenses, i.e. application fee, tournament roster fee, guest player tournament roster fee, alternative insurance coverage for non-USYSA tournaments, any other fees associated with the tournament and coach's expenses are paid by the Team.

If a player is injured, the parents are still required to pay the full monthly CESA Club Fee and Team Fee.

Reimbursement of CESA Club Fees will only be considered in the cases in which a player has suffered a long term season ending injury. At the end of the season, CESA Management will determine the possible reimbursement of a portion of the paid CESA Club Fee.

It is the parents' responsibility to initiate the reimbursement process by directly contacting Andrew Hyslop by email at andrew@carolinaelitesc.com.
